Another way of donating to the school is to purchase items from our Amazon wish lists. We have set up two wish lists; the first is a list of books we would like for our new library, the second is a list of resources that would be used to

enhance learning at HHJS. It is very easy to do! You can either log into Amazon.co.uk and search for the list you want to look at: The first is called **HHJS Book List** and the second is called **Resources Wish List**. You can also click on the links below which will take you directly to the page you are looking for. If you want to save a link to this list on your account, click the remember button.

Any questions?

Don't forget, if you want anything clarified or you are unsure of something, however small, just ask! Use the home-school diaries or student@.....

At present, we will be using a stamp to mark the home school diaries so if there is a message in the diary for your class teacher, please tell your child to tell them – thank you for your support.
