

Hampton Hill Junior School

School Uniform Guidance

Autumn 2020

School Uniform

It is our school policy that all children wear school uniform when attending school, or when participating in school-organised events outside normal school hours. We ask children to take pride in their personal appearance.

Children are at all times ambassadors for the school, and never more so than when larger groups are on school trips. The children should wear their uniform with pride, as it identifies them as pupils of Hampton Hill Junior School.

The role of the governors

The governing body supports the headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity. It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities. Governors ensure that the school uniform policy enables children to dress sensibly, in clothing that is hardwearing, safe and practical.

Aims

Our policy is based on the belief that a school uniform:

- promotes a sense of pride in the school
- engenders a feeling of belonging
- is practical and distinctive and designed with health and safety in mind
- identifies the children with the school
- is not distracting in class (as fashion clothing might be)
- makes children feel equal to one another in terms of appearance
- reflects the sense both of community and of diversity
- is regarded as suitable, and good value for money, by most parents
