

VIRTUAL PARENT COFFEE MORNING

TUESDAY 6TH OCTOBER @ 10:00AM

AN INTRODUCTION TO...

SCHOOL STREETS

Hampton Hill Junior School are going to be working with Sustrans to make it easier for more of our families to walk and cycle to school.

We will do this through changing the environment around the school and temporarily closing the street off to most motor vehicles, ensuring families are safer, able to socially distance and the air around the school is cleaner. Join us for a coffee morning to learn more!
