Deputy Head: Mrs A Appleyard BAQTS

Monday 4th January 2021

Dear Parents and Carers,

I hope you were able to have a healthy and happy Christmas and New Year.

I write to update you in regard to our remote education offer, which will be in place for the next two weeks whilst the school remains closed to most pupils.

Our remote education provision will:

- set meaningful assignments each day in a range of subjects - with the focus being on the core curriculum.
- set a minimum of 3 hours of content a day for pupils to complete.
- provide explanations of new content.
- check that pupils are engaging with their work, and inform parents where engagement is a concern.
- gauge how well pupils are progressing through the tasks set and provide feedback - adjusting where necessary and considering these expectations in relation to the pupils' age, stage of development or special educational needs.

We are also aware that all families have individual circumstances that may impact on the children's ability to complete tasks at home and we are aware that some families have issues around access to devices. We have received a small number of laptops from the DFE which we will allocate to families on a prioritization basis (we have requested more devices from the DFE and are aware awaiting further information). In the meantime we can provide paper copies as requested and will respond to other concerns as highlighted.

The Google Classrooms will be led by your child's class teacher. Some class teachers do not work five days per week or may be on site working in our key worker provision on certain days, so we would ask you to be understanding if you do not get a response from your teacher on the same day. All work that is set for the children will be monitored.

If you have any queries in regard to accessing your child's Google Classroom (due to password issues etc.) please contact the school office via: student@hamptonhill.richmond.sch.uk

If you have any other concerns, please also contact the school office via this address.

Please use this link to access a parent guide with FAQ;
