12th March 2021

Virtual Reality Experience Days

We have again booked a company called PrimeVR to come and deliver virtual reality experience days at our school on **Thursday 25th and Friday 26th March.**

The theme for each year group will be different, based on a curriculum theme but it will be exciting to be able to take our pupils on a virtual journey to some of the times and places they have been studying this year.

We think this is a fantastic opportunity for our pupils and will help to bring their learning to life. We would like to ask parents for a voluntary contribution of **£3** to help fund this amazing experience.

Message from the company with regards to medical conditions -

Pupils who are prone to seizures or who suffer from epilepsy should consult with their doctor before using a VR headset. As an alternative, we are able to set up the devices so that they can be used in 2D mode. Please inform us via student@hamptonhill.richmond.sch.uk if you child has epilepsy or is prone to seizures.

Regards

Mr Foster
ICT Lead
