

WEDNESDAY - YEAR 3&4

THURSDAY - YEAR 5&6

AFTER SCHOOL CLUB

3:30 to 4:45pm - £14.50 per session (12 weeks)

Each week we bake a different sweet or savoury recipe but our club is much more than just baking, the children learn to work together as a team developing their social, language and reading skills with our easy to follow recipes. All ingredients are provided and the children can take home the recipes to make again at home!

During the first part of the session we follow the recipe and make our bakes, then while they are in the oven the children will design and decorate their bags to take home their baked goods and we also play fun games.

All ingredients and packaging to take the baked goods home are included in price.

*This club is not suitable for those with egg or dairy allergies

Online bookings open from Thursday 14th July 2022
