

Teamwork

Message From Ms Brittain—Headteacher

Dear Parents and Carers,

The spring term has absolutely flown by and we are so proud of everything the children have achieved. At Carlisle, we are passionate about ensuring our children are aspirational, one of our school values is ambition, and within the last week there have been opportunities for the whole school to perform in our Don Rae dance workshops. Our Year 2 choir performed with three other local school choirs yesterday, in preparation for their upcoming performance at the Rose Theatre, and our reception children were excited to hear from a parent who has a career in law.

With the holidays rapidly approaching do please take a look at the guidance on setting controls on any devices your child has access to. As a parent myself, I know this is an area we need to be as knowledgeable as possible in and I have found this helpful with my own children.

Finally, I would like to say a big thank you to Mrs Cathy Cheesman, who leaves us a lunch leader to move on to new things, we are keen to recruit more people to this role, so do let us know if you are interested.

I also need to say a huge thank you to the amazing team who took part in the Hampton Court Run last weekend, raising money for the school. We are incredibly grateful and feel so lucky we have such a supportive school community. We would also like to say a special thank you to all the parents/carers who came and helped at our Dig Day and helped with weeding, tidying and painting and of course a special thank you to Sheddington who made the amazing scooter /bike shelters for us. All your support is much appreciated.

Wishing you a wonderful Easter break,

Zoe Brittain

Scooter /Bike Shelter

We are delighted with the new scooter/bike shelter which has been built by the wonderful team at Sheddington <https://sheddington.org/>.

Please remember these are for your children's scooters/bike storage and not for your children to climb or swing on!

Lunch Menu

Please note there is a new lunch menu which will commence after the Easter holidays. Please can **all parents submit their child's lunch choices, even if your child is bringing a packed lunch from home. Your cooperation is appreciated and will ensure that your child has a meal ordered.**

The new menu is on the school website.

New Uniform from September

Just to remind you that our new, [bottle green coloured federation school uniform](#) will be in place from September and available from School Days in Whitton (we will share the updated uniform guidance with you after the Easter break).

We are looking forward to seeing all children proudly wearing this new federation uniform but appreciate that this will take a period of time to settle in, with children still wearing their current CIS or HHJS uniform in September.

Initially we are expecting all reception and Y3 children to start the new year in the new school uniform. We do have current second hand uniform at both schools and this will be available through the summer term to support families. If any family needs support with this change to a new uniform, we would ask them to contact us through the school office.

Exercise and Exergaming in Children - Survey for parents

Kingston University are inviting parents/guardians who have at least one child in the household of primary school age. Hence, you are eligible to take part in this online survey as long as:

- You are the parent/guardian of a child.
- Your child is in your household.
- Your child studies in primary school.
- Your child is aged between 7-11 years old.

We want to know your views and beliefs about effective and accessible exercise options for your child. We also want your opinion on the preferable exercise types, frequencies, and durations for your child. In addition, we want to introduce you to a relatively new type of exercise: “exergaming” (video games which require the player to engage in exercise activity, such as Nintendo Switch Sports games) and would like to know your thoughts on whether this type of exercise is feasible for your child and if it would be effective to improve children’s health. [Click here](#) to take part.

Cases of measles are rising in London. Ensure your children are protected with two doses of the MMR vaccine.

Measles spreads very easily among those who are unvaccinated, and can be a very unpleasant illness. In some cases, it can be serious – 1 in 5 children will need hospitalisation.

The best way to protect children against measles is to ensure that they have had two doses of the MMR vaccine.

To see if your child is up to date with their MMR vaccines, check your child’s red book or contact your GP practice. If your child is not up to date, you can either book an appointment:

at your GP practice, or at a local vaccine clinic.
