Weekly Bulletin 19th April 2024

Dear Parents and Carers

It has been lovely to see the children returning to school this week.

I hope you were able to enjoy the holiday period and Easter and Eid celebrations.

We have all returned to a summer term where lots of new and exciting things will be happening with so much to look forward to.

Y4 and Y5 have started their swimming which is hopefully a sign that summer is getting closer.

Congratulations to our netball team who won their semi-final this week and are now in the borough finals- such a great team effort.

Well done also to yellow team who won the Spring 2 team point challenge and will be having some additional reward time this week.

Today Y4 have been enjoying their Egyptian Day, which is a very special HHJS day. Thank you for all your support towards this.

We also welcomed MP Munira Wilson to open our new Sensory Garden. This a great new additional resource that is behind the art block and has been supported by our Fabulous PTA.

Word of the Week is 'plethora'. Language of the week is 'Farsi'

Have a wonderful weekend

Alan Went

Head teacher

Important notices:

➤ Uniform

Our new, federation uniform will be in place from September and available from School Days in Whitton: <https://schooldaysllp.co.uk/index.php/product-category/schoolwear/schoolwear-primary-schools/schoolwear-primary-schools-federation/>

We are looking forward to seeing all children proudly wearing this new federation uniform but appreciate that this will take a period of time to settle in, with children still wearing their current CIS or HHJS uniform in September. Initially we are expecting all reception and Y3 children to start the new year in the new school uniform.

We do have current second-hand uniform at both schools and this will be available through the summer term to support families. If any family needs support with this change to a new uniform, we would ask them to contact us through the school office.

➤ 'Being Curious'

This week, the pupils had an assembly theme 'curiosity'. They have been encouraged to show curiosity about the world around them by doing some research and fact finding in an area that interests them. (see attached letter)

YEAR 3:

➤ Mary Anning Visit

On Monday 29th April, we have invited the world famous 'Mary Anning', a self-educated fossil hunter and collector to visit. She will deliver an exciting workshop as a conclusion to their Rocks and Fossils topic as well as an excellent way for the children to consolidate their learning. We would appreciate your help with funding this visit and are asking for a £4 contribution which is available to pay on Arbor.
